INFANT ADMISSIONS PACKET

Early Beginnings Daily Schedule – Infants

Curriculum in the infant class encompasses everything that happens in the classroom from diaper changes to feedings, to nap time, to play and exploration. The teachers do a variety of activities that stimulate their senses and allow them to move and grow.

Circle time and play occurs in between basic care. The teachers incorporate baby signs and verbally communicate to encourage language.

Early Beginnings provides lunch, AM snack and PM snack starting at age one. Parents provide meals for children under age one.

Diapering ~ Children are checked every 30 minutes to one hour. They are changed as needed.

Feedings ~ For children under age one, we feed them depending on their schedule. One year olds are fed AM snack at 8:00, lunch at 11:00, and a PM snack at 3:00.

Nap Time is at 12:00 for all the babies. Usually babies under age one take a morning nap and afternoon nap also.
